The Indian Cooperative Credit Society Limited (ICCSL)

With a proud legacy spanning over two and a half decades, The Indian Cooperative Credit Society Limited (ICCSL) has established itself as a trusted and people-centric leader in South India's financial services landscape. Renowned for its strong presence in the multi-state cooperative credit sector, ICCSL is now stepping into a bold new phase of growth—expanding into NBFC and Small Finance Banking—to drive large-scale national expansion and deliver inclusive, future-ready financial solutions across India.

Ananta Civil Service Academy

Established in 2015 as a sister concern of The Indian Cooperative Credit Society Limited (ICCSL), Ananta Civil Service Academy provides focused UPSC coaching from school level to higher education, with structured IAS training offered since 2018 under the guidance of experienced civil servants and senior faculty.

Its flagship initiative, "One Panchayat One IAS," launched in collaboration with the Thrissur District Panchayat, has made Thrissur the first district in India where all local bodies jointly support civil service coaching for over 8,000 students.
